

## Transport regulations of Batteries

---

The following portable cells/batteries and battery packs:

**Alkali-Manganese  
Zinc-Carbon  
Nickel-Metal-Hydride  
Zinc-Air  
Silver-Oxide**

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

**Air transport:** IATA **Dangerous Goods Regulations** 54th Edition special provision 123

The shipping documents contain "Not restricted, as per Special Provision A123"

**Sea transport:** IMDG Code 35. Amendment special provision 304

**Road and rail transport:** ADR/RID 2013 special provision 304; **UN 3496 is not subject to these regulations**

All of these batteries are carefully packed and provide appropriate protection for prevention of short circuits

The following portable cells/batteries and battery packs:

### **Lithium metal batteries (UN 3090)**

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

**Air transport:** IATA **Dangerous Goods Regulations** 54th Edition Packing instruction 968 Section II.

Hazardous Materials Resolution issued by the U.S. Department of Transportation (DOT) and codified in Title 49 of the U.S. Code of Federal Regulations (CFR)

**Sea transport:** IMDG Code 35. Amendment Special provision 188/230, packing instruction 903

**Road and rail transport:** ADR/RID 2013 special provision 188/230, packing instruction 903

Additional informations: Tel +49 911 65372260 for USA: Tel +18004249300

The requirements of the UN manual of Test and Criteria, Part III, sub-section 38.3 are fulfilled.

All of these batteries are packed and marked within appropriate protection for prevention of short circuits.

The shipping documents observe to the regulations.

The following portable cells/batteries and battery packs:

### **Lithium ion batteries/Lithium ion batteries contained in equipment (UN 3480 / 3481)**

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

**Air transport:**

Lithium Ion Batteries: IATA **Dangerous Goods Regulations** 54th Edition Packing instruction 965 Section II.

Lithium Ion Batteries contained in equipment: **IATA Dangerous Goods Regulations** 54th Edition Packing instruction 967 Section II.

Hazardous Materials Resolution issued by the U.S. Department of Transportation (DOT) and codified in Title 49 of the U.S. Code of Federal Regulations (CFR)

**Sea transport:** IMDG Code 35. Amendment Special provision 188/230, packing instruction 903

**Road and rail transport:** ADR/RID 2013 special provision 188/230, packing instruction 903

Additional informations: Tel +49 911 65372260 for USA: Tel +18004249300

The requirements of the UN manual of Test and Criteria, Part III, sub-section 38.3 are fulfilled.

All of these batteries are packed and marked within appropriate protection for prevention of short circuits.

The shipping documents observe to the regulations.
